VICTOR MARRERO, United States District Judge.

Defendant Derrick Smit ("Smit") has brought to the Court's attention that, during his incarceration at the MCC awaiting the disposition of this case, he has suffered from a serious medical condition for which he requires specialized treatment not available at the MCC. Smit has requested that he be designated to a federal medical facility while awaiting sentencing. The Court supports Smit's request. Accordingly, the Court recommends to the Bureau of Prisons ("BOP") that Smit be confined at a federal medical center pending disposition of his case.

The Government is permitted to refer this Order to the BOP without further application to the Court.
